

AUSTIN CANINE CENTRAL

Puppy Socialization and Manners

A fun, positive class to help your puppy get its best paw forward. The class is held during the puppy's optimum socialization period (between 8 and 14 weeks) and presents opportunities for the puppy to be exposed to both dogs and people, explore sights, sounds and a variety of surfaces, and prepare you to address common puppy challenges such as potty training, puppy chewing and jumping. Game-type format will help your puppy learn quickly that new things are fun!

- Initial Orientation (required): Friday, 5:30 - 6:00
- Class Period: Friday, 6:00 - 6:45
- 4-week course, with puppy being between 8 and 14 weeks of age during the 4-week period
- \$80.00 Tuition for 4 weeks. For 8 week old puppies, 2 additional weeks are available for \$20 each week
- Entire family is invited to attend

What you need to know:
